## CareCredit<sup>®</sup> Patient Payment Plans

CareCredit is the card designed specifically to help you pay for your health and beauty needs. CareCredit is like a credit card, but better because you get "No interest" every time you use it. Simply make your minimum monthly payment and pay off your entire balance during the promotional period, and you'll pay no interest.

**\*\* No Interest Payment Plans (Minimum Monthly Payments Required)**

Not all providers offer all plans, ask your provider for details. Valid on purchases made on CareCredit account. A \$300 minimum purchase amount is required for plans longer than 3 months. On promo purchase, monthly payments required, but no finance charges will be assessed if (1) promo purchase paid in full in 3, 6, 12, 18 or 24 months, (2) any minimum monthly payments on account paid when due, and (3) account balance does not exceed credit limit. Otherwise, promo may be terminated & finance charges assessed from purchase date. On promotions requiring a minimum payment, payments over the minimum will usually be applied to those promo balances before non-promo and other balances. If you have a non-promo balance, this may reduce the benefit from the promo. If you want to change this allocation, please call Customer Service. Standard terms apply to non-promo purchases, optional charges & existing accounts. As of 6/01/08, variable APRs: 21.98% & on all accounts in default, 28.99%. Minimum Finance Charge \$1.50. Subject to approval by GE Money. Subject to Terms & Conditions.
